DETAILED ACTION

Examiner acknowledges the amendment and remarks filed on 1/4/2007 canceling claims 1-6 in response to the restriction requirement.

Allowable Subject Matter

- 1. Claims 7-10 are allowed.
- 2. As allowable subject matter has been indicated, applicant's reply must either comply with all formal requirements or specifically traverse each requirement not complied with. See 37 CFR 1.111(b) and MPEP § 707.07(a).
- 3. The following is a statement of reasons for the indication of allowable subject matter: The prior art does not teach or disclose a process for reclaiming waste oil by thermal cracking in a vessel at temperatures ranging from 300 to 350 degrees C until about 50% of the waste oil goes through thermal cracking and then stopping heating and applying vacuum pressure to the vessel and removing the vacuum pressure when about 70 % of the waste oil goes through thermal cracking.

Conclusion

Any inquiry concerning this communication or earlier communications from the examiner should be directed to John C. Douglas whose telephone number is 571-272-1087. The examiner can normally be reached on 7:30 A.M. to 4:30 P.M..

Application/Control Number: 10/743,100 Page 3

Art Unit: 1764

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Glenn A. Caldarola can be reached on 571-272-1444. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see http://pair-direct.uspto.gov. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free). If you would like assistance from a USPTO Customer Service Representative or access to the automated information system, call 800-786-9199 (IN USA OR CANADA) or 571-272-1000.
